

#### **DISCLAIMER**

The SPPICAV owns real estate physical assets, directly and/or indirectly, requiring timescales for sale that will depend upon the state of the property market. If you submit a redemption request for your Shares, you may not receive payment until the end of a period of seven business days from the Redemption Clearance Deadline. The capital and the return are not guaranteed and depend on conditions in the property and financial markets. The amount you receive may be less than the amount that you invested, due to a decline in the value of the SPPICAV's assets, particularly those in the property market, over your investment term. The minimum recommended investment period is eight years.

Article 8 The OPCI falls under Article 8 of regulation (EU) 2019/2088, so-called SFDR, of 27 November 2019 on sustainability disclosures in the financial services sector. The investments underlying this financial product do not take into account the European Union's criteria for environmentally sustainable economic activities.

Risk and return profile: This OPCI, which is mainly invested in real estate physical assets, has a low risk of capital loss, i.e. a level of 2 (SRI PRIIPs). The risk category associated with this OPCI is not guaranteed and may change over time. The lowest category does not mean that the investment is «risk free». Real estate physical assets are less liquid. In periods of property market stress, the rapid sale of a property asset may result in a loss in value. The indicator does not take into account the risk associated with the use of debt
